

REBECCA NEVIN

POSTDOCTORAL RESEARCH FELLOW
CENTER *for* ASTROPHYSICS | HARVARD & SMITHSONIAN
60 GARDEN STREET | MS 67
CAMBRIDGE, MA 02138

<https://beckynevin.github.io>
rebecca.nevin@cfa.harvard.edu

EDUCATION

Ph.D. in Astrophysics, University of Colorado	June, 2019
Doctoral Thesis supervised by Julie Comerford: <i>“Kinematic Signatures of Galaxy Evolution: The Energetics of AGN Outflows and the Accurate Identification of Merging Galaxies”</i>	
M.S. in Astrophysics, University of Colorado	Nov, 2015
B.A. in Astrophysics, Whitman College	May, 2013

FELLOWSHIPS & AWARDS

SDSS Early Career Scientist Travel Fund	Mar, 2019
Early Career Scientist Decadal Survey Participant	Oct, 2018
PEO Scholar Award Alternate	Apr, 2018
3 Minute Thesis Competition - 2nd Place	Feb, 2018
Ray Mace Smith Graduate Fellowship	Apr, 2016
High Pass on Master’s Exam	Nov, 2015
NSF Graduate Fellow	2014 - 2017
Graduated Summa Cum Laude, Whitman College	May, 2013
Phi Beta Kappa	May, 2013
Sigma Xi	Mar, 2013

RESEARCH EXPERIENCE

Postdoctoral Research Fellow Smithsonian Astrophysical Observatory AGN and Galaxy Evolution	2019 - present
Graduate Research Assistant University of Colorado Simulated Galaxy Imaging and Kinematics and AGN Outflows	2013 - 2019
Undergraduate Research Assistant Harvard CfA Recoiling Supermassive Black Holes	2012
Undergraduate Research Assistant Whitman College Globular Cluster Stellar Populations	2011 - 2012
Undergraduate Research Assistant Institute for Astronomy, Maui Spectropolarimeter Characterization	2011

REFEREED PUBLICATIONS

[8] [*“Accurate Identifications of Galaxy Mergers with Imaging”*](#)

Nevin, R., Blecha, L., Comerford, J. & Greene, J., 2018, ApJ, 872

INVITED COLLOQUIA

SEMINARS & CONFERENCE TALKS

University of Washington Galaxy Seminar, Seattle, WA	Oct 30, 2019
Kinematic Review, MaNGA Team Meeting, Oxford, UK	Apr 3, 2019
AAS 233 Winter Meeting, Seattle, WA	Jan 7, 2019
Seminar, Carnegie Observatories	Oct 26, 2018
Seminar, Space Telescope Science Institute	Oct 12, 2018
Seminar, Princeton University	Oct 10, 2018
AAS 232 Summer Meeting, Denver, CO	Jun 5, 2018
Seminar, University of Florida	Mar 28, 2018
CASA/JILA Seminar, University of Colorado	Mar 22, 2018
SDSS-IV/MaNGA Meeting and Workshop, Campeche, Mexico	Dec 7, 2017
AGN Winds on the Georgia Coast, Jekyll Island, Georgia	Jun 28, 2017
CASA/JILA Seminar, University of Colorado	Jun 16, 2017
Great Lakes Quasar Symposium, London, Ontario	May 4, 2016

SUPERCOMPUTING ALLOCATIONS

Co-PI of XSEDE Supercomputer Allocation, NSF	2018
Allocated 1242000 CPU-hours	
PI of JANUS/Summit Supercomputer Allocation, University of Colorado	2015
Allocated 200000 CPU-hours	

OBSERVING EXPERIENCE

PI of six successful Apache Point Observatory Proposals	2014 - 2016
Dual Imaging Spectrograph, 3.5m ARC Telescope	
Observed 34.5 half nights	
Co-PI of MDM Observatory (Kitt Peak) Research	2012
Observed five nights	

TEACHING EXPERIENCE

Instructor of Record, ASTR-1000	2017
University of Colorado	
Developed and taught a 25 student course. Designed inquiry-based activities.	
Professional Development Program (PDP)	2016
Institute for Scientists & Engineer Educators, University of California	
Developed an inquiry-based exoplanet lab for first generation college students.	
Teaching Assistant	2013 - 2014
University of Colorado	
Taught lab courses (30 students) and assisted with interactive learning techniques for the large introductory classes.	

Undergraduate Teaching Assistant and Tutor

2011 - 2013

Whitman College

Guided student telescope labs and indoor physics tutorials, led community outreach telescope nights, and gave planetarium shows to local schools

PROFESSIONAL DEVELOPMENT AND SERVICE

Datacamp Data Science Courses in Python	2019 - present
Astro 2020 Decadal Survey Position Paper Coauthor	2018-2019
Referee, MNRAS	Dec 2018
Statistical Learning, Stanford Online	2018 - present
Mentorship Training, University of Colorado	Aug 2018
Rethinking Scientific Presentations: The Assertion-Evidence Approach	Jan 2018
Running Singularity Containers on SDSC's Comet Supercomputer	Jun 2018
Managing Research Workflows with Singularity Containers	Apr 2018
Software Carpentry Workshop, Research Computing	Mar 2017
Science Writing Course, University of Colorado	2016
Elected Comps I Committee Member, University of Colorado	Fall 2015
Astrostatistics Summer School, Penn State	Jun 2015
Faculty Hiring Committee Member, University of Colorado	Jan 2014

OUTREACH & COMMUNICATION

SDSS Press Conference	Jan 2019
------------------------------	----------

Took part in a press release and press conference at the 233rd AAS meeting, [release text](#) is available on the SDSS website.

Supermassive Black Hole Documentary Film	2018 - 2019
---	-------------

Writing and developing an educational movie about supermassive black holes and galaxy mergers in partnership with the Fiske Planetarium.

Science Speak-Easy: Science Communication Workshop	2018 - 2019
---	-------------

Organized and facilitated an annual workshop for graduate students and postdocs at University of Colorado on giving public and scientific talks.

The Science of Sci Fi	2017 - 2019
------------------------------	-------------

Developed and ran this talk series at Fiske Planetarium, aimed at engaging the public with popular sci fi works.

My talk: *Zombie Pathology: A Survival Guide for Pandemics in the 21st Century*

Science and Society	2014 - 2019
----------------------------	-------------

Ran this talk series at Fiske Planetarium, helped graduate students and postdocs develop talks

My talks: *It Came from Space! The Solar System's Ultimate Weapon and*

How we Hope to Stop it, Galactic Getaways: Life from a Different Perspective

Promoting an Inclusive Community in Astronomy (PICA) Organized and led discussions of this graduate-student run diversity group	2013 - 2019
Astronomy on Tap: Colorado My talks: <i>Gravitational Waves</i> , <i>The Dino's Demise</i>	2016 - 2017
Science Writer Wrote for the blog <i>Cosmic Conversations</i> , communicated a wide range of popular science topics	2013 - 2017
PhD Comics Research group featured in <i>Supermassive Black Holes Explained</i> (http://www.phdcomics.com/comics.php?f=1864)	2016
ComSciCon Attended this science communication conference preparing today's scientists to better communicate their science to a broader audience	2015
Earth Explorers Worked with a group of underserved middle schoolers in Longmont, CO to develop a movie about black holes	2014 - 2015
